

## £29.36 PER LEARNER, PER COURSE

Courses are available to anyone 19 years of age and over.

For students on a wide range of means tested benefits, Hull College operates a generous fee reduction policy.

### ONLY £9.36 PER LEARNER, PER COURSE

E.g. Reduced fees are given to learners in receipt of benefits, including:

- Income support
- Housing Benefit
- Means Tested Council Tax Benefit
- Job Seekers allowance

This list is not exhaustive, please call us to find out if you are eligible for reduced fees.

If you fall into one of the above categories please bring proof with you to the first class, e.g. your claim book.

Anyone who doesn't show proof of benefits at the first class must pay enrolment and examination fees in full.

**All courses listed are NOCN short courses.**

### Do you have a disability?

If you have a disability which requires additional support please contact us before the class starts on 01482 381968. We will then talk with you to ensure you get the reasonable adjustments you require.

Please note: Courses are correct at time of printing. For a course to run there must be a minimum of 7 learners in each class.

We are now able to offer progression routes to a range of Level 2 qualifications through Learndirect - please call 01482 598981 for further information.

## Learning Together

offers a wide range of friendly and informal learning opportunities in venues across Hull and East Yorkshire. The short courses are open to all adults, from complete beginners to people wishing to extend their skills. Learning Together has helped over 25,000 people experience a positive, relaxed and supportive return to learning - people like you - why not join our group of successful learners? Just come along to the first session and sign up with the tutor. Do you have a group of friends, club or society that may be interested in learning together? All you need is at least seven people, a suitable venue and some ideas about what you would like to do - phone us to discuss your needs.
